Hi Cousin,

It is always fun to hear of more members of God's family. God's family really is getting bigger and bigger every day.

You can now have your very own adoption certificate. If you know the date you became a Christian, type it on the first line of the certificate. If you are not sure of the date, just put the year. If you are not sure of the year but you are sure you are a part of God's family, just guess at the date.

Then be sure to put YOUR name in the space in the middle of the certificate. That's it. Now just print it out and put it in a 8x10 frame. Hang it on a wall where everyone will be able to see it. If you ever start to wonder if you really are a part of God's family, just look at the certificate and it will remind you of the day you printed this out. You can also save this on your computer if you like.

Be sure to tell all of your other family and friends about the www.GodsFamily.com site. They will want to have their own adoption certificate too.

By the way, 'Deus me elegit' in Latin is 'God chose me'. Isn't that neat?

Welcome to God's family.

Your Cousins,

Pedro & Olivia

PS If you haven't put a pin in the map yet, be sure to do that. You can zoom in real close and put the pin exactly where you want it. Leave a message for others to read that will encourage them. Be sure to read the messages others have left by clicking on their pins.
